

Town Park, Hanover, Ont., Can.

Dear folks,

We sure have had some
rainy days but it stopped long enough
to let the 'kids' go in the water.

Had quite a storm late before last
and rough & wavy water but its
like glass this morning everyone
is fine and Phil already wants
go home and once ~~all~~
are like a couple of fish
water as much as possible.
We should be coming
Sunday night for a day or
will see you
Always & all.
